

Elitism in collaboration with *Sharan PinHole Cameras*
and *Brooklyn5and10* is proud to present the

1st SHOESHINE PHOTO CONTEST

in order to celebrate

the World Pinhole Photography Day

(April the 24th 2011)

Let's put it this way: you are alone and no matter what, you have a camera in your hands; it doesn't matter if SRL or digital, old or new. You are maybe bored, you have some spare time, or you just bought them and you want to see how hip you might be with them on. Yeah right we're talking about you and your shoes!

How does it work? Easy to do, easy to say!

Just take a picture of your shoes (we don't care if new, old, vintage, high heels, sneakers or ballerinas) we don't care about the perspective or if black and white or color. You submit it by email to the following address : info@elitismstyle.com with your name and home address followed by two lines of explanation. Here at Elitism we believe that shoes are a key accessory to show who you really are. They show your style, your choice, your attitude, your annoyed being, your favorite colors, your view from the top! Tell us just in two lines, the reason why you sent us that particular picture. We love to hear stories.. and a story is always worth a listening. Images will be judged on the overall wit, regardless whether you are a photographer or not.

Thanks to the contribution of Brooklyn5and10.com, selected winners will receive a Sharan Pin Hole Camera! (it is compulsory to submit pictures with maximum 600 pixels).

There will be two selected winners, one for Europe and one for the United States.

Submissions are going to be selected by our Elitism Jury and winners will be announced at the end of June 2011.

The contest deadline is on June the 30th 2011.

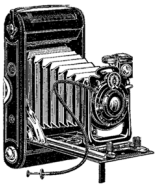

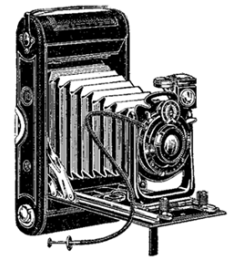

This is a good occasion to win a fantastic Sharan Pin Hole Camera! These cameras are extremely easy to build, easy to use and great to have!

And now, we officially declare... The ShoeShine Photo Contest OPEN!
